CHEAT SHEET:

Where to put each of the 12 hints:

1. Oven
2. In the Fridge near the cheese
3. Coat Closet/Entryway near mittens
4. Your child's bathtub
5. Silverware Drawer
6. Bookshelf
7. Inside one of your child's bedroom drawers

9. Bike, scooter, etc.
10. TV
11. Mailbox
12. Your child's bed

Tips:

- Plan a distraction for your kids after you put the pan in the oven, so you can hide the clues!
- If you can, have a second similar empty baking sheet handy, so you can swap the pan with cookies on it for an empty pan.
- Make sure you have a place in mind where you can set the hot pan of cookies (out of sight).
- Don't forget that while your kids are busy looking for one of the later clues, you'll have to get the cookies put under the tree.
- Have fun!
